

KILLER KEYNOTES!

Inspirational and Educational keynotes guaranteed to equip your audience with fresh perspectives *AND* motivate them to take action!

Hunting Dragons

Understand then slay the fear, anger, and sadness that holds us back!

Rapid Awareness, Radical Influence

Read the room and persuade with power, quickly and effectively!

Alpha Leadership

Find the strength, wisdom, and humility to become who people want to follow!

Change is (NOT!) a Choice

Shift your organization from surviving to thriving with purpose, empathy, and trust!

Cultivating Culture

Create and sustain the place where the best come, the best stay, and we all grow together!

Energetic and impactful keynotes delivered by a corporate executive, Harvard Fellow, and 25-year combat pilot, warzone commander, and Inspector General... who was a horrible K-12 student that made plenty of mistakes along the way!
